## **IML PHOTOGRAPHY BOOKING GUIDE**

1. [Email us](#) to make **booking** and confirm availability including breakdown of the full products/garments you want shot (for example, if you will be sending over 25 items you can attach a spreadsheet listing all the items to be photographed with number of angles and views) with instructions of your expectations (useful links and photos can be attached) plus pickup and delivery options.
2. Once all booking **details are agreed and confirmed**, all you will need to do is to package your products/garments neatly and send them over to us in person or by courier ensuring they are delivered to us in the best possible condition.
3. We will have your **Invoice Issued** as soon as we receive the parcel and proceed with your order once full payment has cleared.
